Invitation

Dear Colleagues

We are pleased to inform you that Society of Animal Physiologists of India encompassing XXIX Annual Conference of Society of Animal Physiologists of India (SAPI) on "Recent approach to escalate livestock productivity under current socio-economic scenario" will be jointly organized by Bihar Veterinary College, Bihar Animal Sciences University, Patna-800014, Bihar, India in association with Society of Animal Physiologists of India from 25th to 26th February, 2021 through online mode.

The SAPICON-2021 will bring under one umbrella the eminent scientists, animal physiologist, academicians, policymakers, and students of Animal sciences to share research findings, ideas, and intellectually explore scope of Animal Physiology in field of livestock productivity, food security and environmental protection.

About the Host:

Bihar Veterinary College, Patna, the 5th oldest Veterinary College in undivided India was founded on 2nd April, 1927 by Sir Henry Wheeler, the then Governor of Bihar and Orissa. The College made tremendous progress under the guidance and supervision of Dr. R. T. Davis, the first Principal of this historic College with a team of renowned scientists specialized in Breeding, Feeding, Management and Disease control of Livestock & Poultry. During the post-independence period, Bihar Veterinary College developed to its full capacity and occupied a prestigious status associated with strong academic base for teaching and research in the field of Veterinary Science and Animal Husbandry as well as advanced Veterinary clinical services to the society. In the beginning (1930-1949), a three-year diploma course was started awarding G.B.V.C. (Graduate of Bihar Veterinary College) Diploma. Keeping pace with the advancement of Science & Technology, four-year degree course awarding the degree of B.V.Sc. & A.H. was started in 1949. In 1971, the BVC was one of the pioneer constituent colleges of Rajendra Agricultural University, Pusa under Agricultural University System. On 29th August 2016, Bihar Animal Sciences University, Patna was notified by the Govt. of Bihar and BVC is now a constituent college of BASU, Patna with its 16 well equipped departments.

About SAPI:

To promote professional interactions among the Animal Physiologist to facilitate collaborative research in areas of national importance, in February 1986 "Society of Animal Physiologists of India" was registered under the Societies Act. Dr. D. N. Mullick and Dr. M.L. Madan were the first President and Secretary of the society, respectively. The society is growing continuously and presently the life membership is over 740.
